REMARKS

Applicants would like to thank Examiner for the notice of allowance received dated April 29, 2005. In the present amendment, the specification has been amended to update the issuance information of an application in the cross reference to related applications made in the specification.

Formal drawings in accordance with 37 C.F.R. 1.84 begin on page 5 of this paper and include attached replacement sheets.

Also attached is an Application Data Sheet, properly identifying all priority application information related to this application. The U.S. Patent and Trademark Office records already currently reflect the correct information.

Applicants submit that no new matter has been added and respectfully request the present amendment be entered.

CONCLUSION

Should the Examiner find the present amendment should not be entered, the undersigned representative earnestly requests a telephone conference at (206) 332-1392 with both the Examiner and the Examiner's Supervisor to discuss the basis for the Examiner's decision. Likewise, should the Examiner have any questions or comments, Applicants' undersigned representative would very much appreciate a telephone conference to discuss these issues.
